### Popular Databases

- **LexisNexis Academic**
  - A collection of full-text legal, business, news and reference databases available to all campus users

- **Proquest Congressional**
  - A huge collection of Congressional information and publications. Our subscription includes access to indexing and abstracts for all Congressional publications and full-text access to: bills and public laws (1989 - Current); Congressional Record (1985 - Current); CFR (1981 - Current); Federal Register (2005 - Current); committee reports and Congressional documents in the U.S. Congressional Serial Set (1789-1969); and many other hearings, reports, documents and committee prints (selected full-text). The set also includes access to CIS legislative histories, the most comprehensive sources for legislative history information.

### E-Journals Index

A searchable list of journals and similar materials available through Bounds Law Library database subscriptions.

### BNA Subscriptions

A collection of individual reports on various legal topics. Each report tends to include case summaries, full-text cases, news, commentary, and similar information. Follow this link for a list of individual reports.

### Hein Online

Provides access to the full-text of legal periodical articles, Supreme Court opinions, U.S. Attorney General opinions, treaties and international agreements, and the Federal Register. Documents are available as photocopy-equivalent PDF files.

### LegalTrac

A searchable database of citations to and abstracts of legal articles

### CCH Intelliconnect

A large selection of databases covering federal, state, and international tax research, business, and compliance.
