Advertisement for and opening of sealed bids for public works contracts; violations; exclusions; emergency actions; sole source specification.

(a) Before entering into any contract for a public works involving an amount in excess of fifty thousand dollars ($50,000), the awarding authority shall advertise for sealed bids. If the awarding authority is the state or a county, or an instrumentality thereof, it shall advertise for sealed bids at least once each week for three consecutive weeks in a newspaper of general circulation in the county or counties in which the improvement or some part thereof, is to be made. If the awarding authority is a municipality, or an instrumentality thereof, it shall advertise for sealed bids at least once in a newspaper of general circulation published in the municipality where the awarding authority is located. If no newspaper is published in the municipality, the awarding authority shall advertise by posting notice thereof on a bulletin board maintained outside the purchasing office and in any other manner and for the length of time as may be determined. In addition to bulletin board notice, sealed bids shall also be solicited by sending notice by mail to all persons who have filed a request in writing with the official designated by the awarding authority that they be listed for solicitation on bids for the public works contracts indicated in the request. If any person whose name is listed fails to respond to any solicitation for bids after the receipt of three such solicitations, the listing may be canceled. With the exception of the Department of Transportation, for all public works contracts involving an estimated amount in excess of five hundred thousand dollars ($500,000), awarding authorities shall also advertise for sealed bids at least once in three newspapers of general circulation throughout the state. The advertisements shall briefly describe the improvement, state that plans and specifications for the improvement are on file for examination in a designated office of the awarding authority, state the procedure for obtaining plans and specifications, state the time and place in which bids shall be received and opened, and identify whether prequalification is required and where all written prequalification information is available for review. All bids shall be opened publicly at the advertised time and place. No public work as defined in this chapter involving a sum in excess of fifty thousand dollars ($50,000) shall be split into parts involving sums of fifty thousand dollars ($50,000) or less for the purpose of evading the requirements of this section.

(b) An awarding authority may let contracts for public works involving fifty thousand dollars ($50,000) or less with or without advertising or sealed bids.

(c) All contracts for public works entered into in violation of this title shall be null, void, and violative of public policy. Anyone who willfully violates this article concerning public works shall be guilty of a Class C felony.

(d) Excluded from the operation of this title shall be contracts with persons who shall perform only architectural, engineering, construction management, program management, or project management services in support of the public works and who shall not engage in actual construction, repair, renovation, or maintenance of the public works with their own forces, by contract, subcontract, purchase order, lease, or otherwise.

(e) In case of an emergency affecting public health, safety, or convenience, as declared in writing by the awarding authority, setting forth the nature of the danger to the public health, safety, or convenience which would result from delay, contracts may be let to the extent necessary to meet the
emergency without public advertisement. The action and the reasons for the action taken shall immediately be made public by the awarding authority upon request.

(f) No awarding authority may specify in the plans and specifications for the improvement the use of materials, products, systems, or services by a sole source unless all of the following requirements are met:

(1) Except for contracts involving the construction, reconstruction, renovation, or replacement of public roads, bridges, and water and sewer facilities, the awarding authority can document to the satisfaction of the State Building Commission that the sole source product, material, system, or service is of an indispensable nature for the improvement, that there are no other viable alternatives, and that only this particular product, material, system, or service fulfills the function for which it is needed.

(2) The sole source specification has been recommended by the architect or engineer of record as an indispensable item for which there is no other viable alternative.

(3) All information substantiating the use of a sole source specification, including the recommendation of the architect or engineer of record, shall be documented and made available for examination in the office of the awarding authority at the time of advertisement for sealed bids.

(g) In the event of a proposed public works project, acknowledged in writing by the Alabama Homeland Security Department as (1) having a direct impact on the security or safety of persons or facilities and (2) requiring confidential handling for the protection of such persons or facilities, contracts may be let without public advertisement but with the taking of informal bids otherwise consistent with the requirements of this title and the requirements of maintaining confidentiality. Records of bidding and award shall not be disclosed to the public, and shall remain confidential.
