The University of Alabama Facilities and Grounds Tree Care and Maintenance Policy states:

Having healthy trees is a top priority to keep our campus beautiful. Misuse of any and all trees is prohibited. Examples of abuse include, but are not limited to climbing, use of ropes, wire, hammocks, slack lines, zip lines, nails tape and signage, etc. All these issues cause stress, scarring and, often broken branches, which can lead to disease and death of an otherwise healthy tree and therefore is prohibited.

Grounds Maintenance, Landscaping, Horticultural Care, Tree Services, Trash Dumpster Services and Grounds Use Permit Coordination.

The Grounds department is responsible for the following services to the campus:

Grounds Use Permit Coordination

- Link for more information and permit

Grounds Maintenance

- Mowing, edging, pruning, weeding and leaf removal
Landscape Services

- Sod replacement, Shrub bed renewal/installation/repair, mulching, and seeding

Horticulture Services

- Color bed installation/repair, flower pots/hanging basket planting/maintenance, exterior/interior plant care

Tree Services

- Removal, trimming, pruning

Trash and Dumpster Service

- Service/install UA dumpsters, debris removal, and general campus grounds clean-up

Street Sweeper Services

- General street and parking lot sweeper care

General grounds services that are directly related to the continuous care of the campus (mowing, edging, weeding, etc) are provided without charge to most of the University community. Additional services, for which the Grounds Department is not budgeted, must be funded by the requesting department/organization.

Routine work orders should be submitted through your building representative. If you are a Housing Resident, contact Regina Stapleton at 348-6188. If you have an emergency, call the Service Response Center at 348-6001. If after 5:00pm, call the University Police Department at 348-5454.

Call the ADA Hotline at 348-5882 if you wish to report an accessibility issue.
