Coordinator, Faculty Development
UA Technology Basics

If you need to...

- Check @crimson email
- Register for classes
- See class rosters
- Access other tools

Go to myBama.ua.edu
UA Technology Basics

myBama.ua.edu hints:
- Change timeout settings: My Account
- UA Alerts
- Campus announcements
- Update your information
- Photo Class List
Timeout Settings

My Account Preferences

Change Timeout
The system will automatically log you out after **180** minutes of inactivity.
You may change this value if you wish: 180 minutes

*NOTE:* If you change your timeout, you will need to logout and login again for the changes to take effect.

Preferred Locale

Privacy Settings

Calendar Searches: Opt Out Opt In
E-mail Searches: Opt Out Opt In

*NOTE:* Selecting the Opt In option allows other users to find you through the search features in the respective areas. For example: in the Address Message feature of E-mail, users will be able to search the campus directory for your E-mail address. In Calendar, users will be able to search for, and invite you to, an event or meeting.
