GENERAL INFORMATION  
The University of Alabama (UA) assures the acceptance into its baccalaureate degree programs of Bevill State Community College (BSCC) Associate of Arts or Associate of Science degree graduates in accordance with the following policies and procedures.  

POLICIES AND PROCEDURES  
1. Students must be officially admitted and enrolled at UA during their tenure at BSCC or within three years after graduating from BSCC. Should students enroll in another post-secondary institution following their tenure at BSCC, this agreement may be void.  
2. BSCC students are expected to complete all prerequisite courses necessary to enroll in upper-level courses at UA and must complete all major and degree requirements as specified in the UA Undergraduate Catalog in force upon their matriculation with BSCC.  
3. To be admitted to UA, students must have earned a grade point average of "C" (2.0 on a 4.0 scale) or higher for all college-level work attempted.  
4. Normally, students may transfer a maximum of 64 semester hours of their BSCC coursework to their UA degree plan. All BSCC credit for coursework that is identified by the Alabama Articulation Program as college parallel may be considered for transfer to UA, provided the coursework does not duplicate other credits and conforms to the students' UA degree plan.  
5. Some UA schools and colleges have identified specific joint degree programs that allow BSCC students to begin their required coursework with UA while enrolled at BSCC. Appendix A describes these UA-BSCC joint degree plans.  
6. The University of Alabama and Bevill State Community College will cooperate in publicizing this agreement and facilitating transfer of academic credits from BSCC to UA.  
7. The University of Alabama will provide program information to the BSCC staff and periodically send representatives to the BSCC campus to assist prospective students in enrolling at UA. BSCC will periodically send representatives to the UA campus to confer with UA representatives on specific college and school requirements for transfer students.  
8. This agreement will be reviewed bi-annually by the chief academic officers of UA and BSCC and may be terminated by either institution with not less than one year's notice.
