MEMORANDUM OF AGREEMENT FOR JOINT DEGREE PROGRAMS
Between
THE UNIVERSITY OF ALABAMA
And
CALHOUN COMMUNITY COLLEGE

GENERAL INFORMATION

The University of Alabama (UA) assures the acceptance into its baccalaureate degree programs of Calhoun Community College (CCC) Associate of Arts or Associate of Science degree graduates in accordance with the following policies and procedures.

POLICIES AND PROCEDURES

1. Students must be officially admitted and enrolled at UA during their tenure at CCC or within three years after graduating from CCC. Should students enroll in another post-secondary institution following their tenure at CCC, this agreement may be void.

2. CCC students are expected to complete all prerequisite courses necessary to enroll in upper-level courses at UA and must complete all major and degree requirements as specified in the UA Undergraduate Catalog in force upon their matriculation with CCC.

3. To be admitted to UA, students must have earned a grade point average of "C" (2.0 on a 4.0 scale) or higher for all college-level work attempted.

4. Normally, students may transfer a maximum of 64 semester hours of their CCC coursework to their UA degree plan. All CCC credit for coursework that is identified by the Alabama Articulation Program as college parallel may be considered for transfer to UA, provided the coursework does not duplicate other credits and conforms to the students' UA degree plan.

5. Some UA schools and colleges have identified specific joint degree programs that allow CCC students to begin their required coursework with UA while enrolled at CCC. Appendix A describes these UA-CCC joint degree plans.

6. The University of Alabama and Calhoun Community College will cooperate in publicizing this agreement and facilitating transfer of academic credits from CCC to UA.

7. The University of Alabama will provide program information to the CCC staff and periodically send representatives to the CCC campus to assist prospective students in enrolling at UA. CCC will periodically send representatives to the UA campus to confer with UA representatives on specific college and school requirements for transfer students.

8. This agreement will be reviewed bi-annually by the chief academic officers of UA and CCC and may be terminated by either institution with not less than one year’s notice.

Memorandum of Agreement approved this 10th day of February, 1997.
