MEMORANDUM OF AGREEMENT FOR JOINT DEGREE PROGRAMS
BETWEEN
THE UNIVERSITY OF ALABAMA
AND
FAULKNER STATE COMMUNITY COLLEGE

General Information

The University of Alabama (UA) assures the acceptance into its baccalaureate degree programs of Faulkner State Community College (FSCC) Associate in Applied Science degree graduates in accordance with the following policies and procedures.

Policies and Procedures

1. Students must be officially admitted and enrolled at UA during their tenure at FSCC or within three years after graduating from FSCC. Should students enroll in another post-secondary institution following their tenure at FSCC, this agreement may be void.

2. FSCC students are expected to complete all prerequisite courses necessary to enroll in upper-level courses at UA and must complete all major and degree requirements as specified in the UA Undergraduate Catalog in force upon their matriculation with FSCC.

3. To be admitted to UA, students must have earned a grade point average of "C" (2.0 on a 4.0 scale) or higher for all college-level work attempted.

4. Normally, students may transfer a maximum of 60 semester hours of their FSCC coursework to their UA degree plan. All FSCC credit for coursework that is identified by the Alabama Articulation Program as college parallel may be considered for transfer to UA, provided the coursework does not duplicate other credits and conforms to the students’ UA degree plan.

5. Some UA schools and colleges have identified specific joint degree programs that allow FSCC students to begin their required coursework with UA while enrolled at FSCC. Appendix A describes these UA-FSCC joint degree plans.

6. The University of Alabama and Faulkner State Community College will cooperate in publicizing this agreement and facilitating transfer of academic credits from FSCC to UA.

7. The University of Alabama will provide program information to the FSCC staff and periodically send representatives to the UA campus to confer with UA representatives on specific college and school requirements for transfer students.

8. This agreement will be reviewed bi-annually by the chief academic officers of UA and FSCC and may be terminated by either institution with not less than one year’s notice.
