Hello!

Welcome to the Capstone Men and Women website. On this site, you will find information about our group and its individual members. Capstone Men and Women function as the official ambassadors for The University of Alabama. In that capacity, we give campus tours to prospective students and assist the University president, administration, and trustees with numerous events throughout the year. The members of the group are some of the most outstanding students on campus.

Thank you for visiting and Roll Tide!

Kelsey Gibson
President, Capstone Men & Women
2013-2014
