Dear Bob:

Thank you for two recent letters, both dated February 14, 2005, concerning change at your institution. In those letters, you notified the Commission of your intent to offer by distance learning more than 50% of the credits required for the following degree programs, effective Fall, 2005:

- Master of Arts in Management Science, Operations Management concentration
- Master of Science in Engineering Science and Mechanics with a concentration in Aerospace Engineering
- Bachelor of Science in Human Environmental Sciences, Early Child Development option
- Bachelor of Science in Human Environmental Sciences, Child Development Practitioners option
- Master of Science in Human Environmental Sciences, Consumer Science concentration

Since both the programs and the delivery mode are approved, we accept your notification and shall include these within the scope of accreditation previously granted.

Best regards,

James T. Rogers  
Executive Director  
Commission on Colleges
